

BOX REQUEST PICKUPS FOR MSPS

SEE EVERY PICKUP COMING. PROVE EVERY ONE THAT LEFT.

Book a collection of your retired equipment in a minute, follow the truck on a live map, message your driver directly and keep signed, photo-backed proof for every audit, from the web or your iPhone.

REQUEST IN A MINUTE

Pick a saved site, tap in box counts by picture, choose a day and window. Done.

KNOW WHEN WE'LL ARRIVE

Live truck tracking with an ETA, and a heads-up when the driver is two minutes out.

TALK TO YOUR DRIVER

A chat for every pickup, with text and photos, on the web and in the app.

PROOF YOU CAN KEEP

Timestamped photos, boxes collected against requested, an on-site signature and a full timeline.

NO MORE PHONE TREE

01

FEWER CALLS, LESS WAITING

Scheduled? Who's coming?
How far away? It's all on the
pickup page, and it reaches
you by push, inbox and email.

02

A PREDICTABLE ARRIVAL

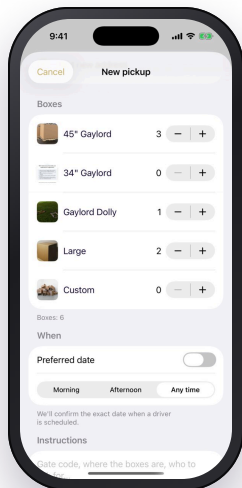

Get the confirmed date, driver,
phone and truck up front,
then a live ETA so someone is
ready at the dock.

03

CHAIN-OF-CUSTODY EVIDENCE

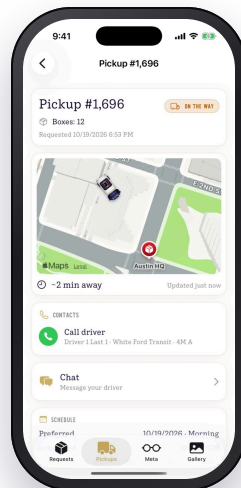

A signed, photo-backed record
for every collection, ready for
your audits and your clients'
questions.

HOW IT WORKS

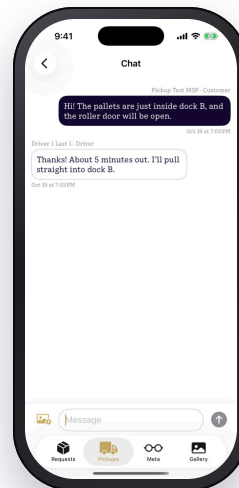

1 · REQUEST

Choose a site, box counts
and a preferred day.

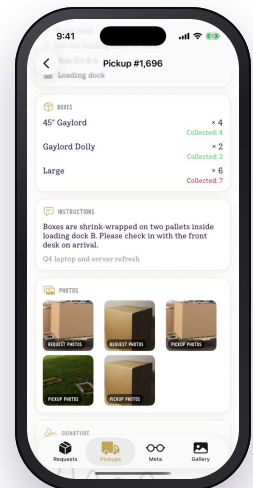

2 · TRACK

Watch the truck arrive
with a live ETA.

3 · CHAT

Message your driver about
access or changes.

4 · PROVE

Photos, counts and
signature on every pickup.
